
AuditZone Issues under '20. AuditZone v1.1 Package'

Deliverable | 20. AuditZone v1.1 Package**Issue** 1100. Add guidance material to checklist and question.**Description** Sometimes, it is not very clear how to respond a checklist or question. The system should allow a mechanism to show such guidance information.

Type	Reported By	Submission Date	Completion Date
Change Proposal	Alexandre Petrovsky	05/09/2007	29/10/2007
Priority	Status	Assigned To	
Normal	Completed	Ertan Ozkan	

Actions Taken

A textual property (help) is added into the definition of question and checklist. This property is now used while constructing the worksheet. The checklist help text is provided just general instructions and question help text is given just before the question.

Issue 1101. Reflect CHAIN document changes.**Description** There is a document containing some changes on requirement text and/or guidance material. It should be reflected into the AuditZone internal format.

Type	Reported By	Submission Date	Completion Date
Change Proposal	Alexandre Petrovsky	05/09/2007	29/10/2007
Priority	Status	Assigned To	
Normal	Completed	Ertan Ozkan	

Actions Taken

Audit setup concerning CHAIN was reviewed and required changes were made.
